BURLINGTON COUNTY COLLEGE

Burlington County College Mission Statement

Burlington County College, a comprehensive community college, provides all individuals access to affordable and quality education.

Goals

1. To provide an educational experience that encourages the individual to think critically and to examine and clarify ethical, personal and political values.
2. To prepare individuals for transfer to four-year colleges, for employment in business and industry and for new career skills.
3. To enable individuals to strengthen their academic skills through adaptive learning, counseling and academic support.
4. To enrich the quality of life by sponsoring cultural, recreational and personal interest activities through an extensive program of community and continuing education.
5. To engage in partnerships with the private and public sectors and to implement programs that address their identified employment needs.
6. To provide state-of-the-art technologies in the education and training of all individuals through an appropriate mix of delivery systems.
